Variations

	Unlacquered Brass – hand cast & polished but not lacquered; will age beautifully over time. The component parts slightly differ in colour.
	Nickel Plated – polished nickel is more hard-wearing than brass but requires periodic polishing to keep bright or left to age gracefully.
	Chrome Plated – this is the most hard-wearing finish which requires minimal maintenance, a brighter blue finish to the nickel plating.
	Antique Brass – we will hand patinate the brass if you require to a special aged look which will naturally tarnish with time.
	Antique Bronze – a dark finish to the metal that gives a stunning industrial look
	Antique Nickel – a beautiful yet timeless finish

† Due to the manufacturing process, brass component parts slightly
Note: Please choose from a thermostat set above, an arm and a showerhead to complete the set
