

The Usk Bateau Cast Iron Bath Tub in a Polished Finish

The Usk Bateau Cast Iron Bath Tub

Description

The shape of our Usk roll top bath is based on a classic 18th-century design, known popularly as a bateau bath or 'boat bath'. Retaining its elegance across the centuries, it is a shape that fits perfectly into traditional or contemporary bathroom schemes. Running down the northern slopes of the black mountain in mid Wales, the River Usk sits within the Brecon Beacons, one of the most beautiful & wile regions in the British Isles.
